More subforums?
Posted by t3h anarchist - 2008/10/04 04:50

Hey, i think we should add some more subforums, a LOT more subforums.

For example, i think there should be discussion on playing styles, strategies, players, tournaments, coaching and tips, videos, etc.

That's not a bad idea, I guess I've just been waiting for some more forum activity before expanding the categories.
