

## Payouts for May

Posted by admin - 2009/06/21 09:10

---

Here are the results for May:

### User Earnings

Schlager \$8.00

U.K. Looper \$2.00

philm87 \$1.20

t3h anarchist \$2.00

Thanks to everybody who contributed!

I made an internal (long overdue!) addition to the website software to calculate the earnings automatically, so from now on I'll be doing the payouts on a much more timely basis.
