I'll be working on it soon, had a busy day! The numbers should be up within a couple of hours. Thanks for being patient.

Here are the results:

username earnings

dalamchops \$10.20

herex \$2.00

jonyer1980 \$14.00

t3h anarchist \$111.20

TFIF \$3.20

I decided to increase the budget this one time to allow other people to get something for their contributions, even though the budget really got used up less than half way through the month.

Please let me know whether you want me to send you the money via PayPal now, or whether you want it to accumulate in your account for another month.

If I don't hear from you, then I'll just send the money to your email address registered on this site if it's at least \$5, otherwise I'll leave it in your account.

Please note the following PayPal fee if you're using a Premier/Business account: 1.9% to 2.9% + \$0.30 CAD. If you're using a Personal account then there is no fee.

Thanks for your contributions, everybody. Let's go for November!
