

Almana Sound (Stiga)

Posted by admin - 2008/01/28 09:02

This thread discusses the Content article: Almana Sound (Stiga)

I used Almana Sound for a few months and found the weight very good - it's quite light. I'm guessing that by rating it 1/5 for weight you meant it's light. (Really, 1/5 for this criterion means that you really hated the weight of it, meaning it's either far too heavy or light.)
